# **Celebrate creativity at the NGV**

Celebrate local creativity during the Arts Learning Festival with a visit to the Ian Potter Centre: NGV Australia to see two inspiring exhibitions: Top Arts 2023 + Melbourne Now.

Top Arts 2023 reveals the passions and concerns of young artists that achieved outstanding results in VCE Art or VCE Studio Arts 2022 and represents schools from across Victoria.

Melbourne Now traverses all three levels of the NGV and presents extraordinary work by more than 200 Victorian-based artists and designers.
