Mia Salsjö

Sound & Sight-Art, Architecture & Music

Melding music notation, architectural drawing, storytelling and history to take on new visual and sonic art forms.

Join us for this hands-on experience of Mia Salsjö's artistic practice. Students will be shown the techniques Mia uses in the creation of her work

Under Mia's guidance, students will collectively create a new work of art from pre-prepared (marked-up) architectural drawings.

Date	Anytime during Term 3, 2023 (subject to availability)
Mode	In-person workshop
Suitable for	Years 9–11
Subject areas	The Arts, Science & Technology, Media Arts
